BRIVOLUXTECH

E27 UFO LED BULB

HIGH BRIGHTNESS
SCREW-IN LED LIGHTING
SOLUTIONS

1. HIGH BRIGHTNESS OUTPUT

Large illuminated surface design delivers high lumen output and wide beam coverage.

2. DETACHABLE DESIGN

Removable structure saves up to 50% shipping cost and reduces storage space.

3. EXCELLENT HEAT DISSIPATION

LED board is in direct contact with air for faster heat dissipation and longer lifespan.

4. WIDE APPLICATIONS

Perfect for garage, warehouse, workshop, basement, utility room, storage room, farm building, retail shop and more.

5. EASY INSTALLATION

Standard E27 socket, no wiring or tools needed. Simply screw in and use.

6. ENERGY SAVING

High efficiency LED chips reduce power consumption and lower electricity bills.

7. WIDE VOLTAGE INPUT

110-265V wide voltage compatible, suitable for global markets.

8. LONG SERVICE LIFE

Built with high quality materials and stable performance for long-term reliability.

BRIGHTER LIGHT | SMARTER DESIGN | BETTER PERFORMANCE

BRIVOLUXTECH

GARAGE APPLICATION

Bright Lighting For Every Garage

GARAGE LIGHTING SOLUTION

Ideal for:

- Vehicle Maintenance
- DIY Projects
- Tool Storage Areas
- Home Workshops
- Multi-Car Garages

High Brightness
Powerful illumination for a clear and bright garage environment.

DIY Workshop
Perfect lighting for DIY projects and hands-on work.

Vehicle Maintenance
Ideal for repairs, inspections and detailed tasks.

Energy Saving
High efficiency lighting helps reduce energy consumption.

Wide Coverage
Uniform light distribution eliminates dark spots and improves visibility.

BRIVOLUXTECH

WAREHOUSE APPLICATION

Powerful & Efficient Warehouse Lighting

WAREHOUSE LIGHTING SOLUTION

Ideal for:

- Storage Areas
- Loading & Unloading Zones
- Inventory Management
- High-Bay Spaces
- Distribution Centers

High Brightness
Ensures clear visibility across large areas.

Wide Coverage
Even light distribution reduces shadows and dark spots.

Reliable Performance
Stable illumination for safer and more efficient operations.

Energy Saving
High efficiency lighting helps reduce energy consumption.

Low Maintenance
Long lifespan reduces maintenance costs and downtime.

BRIVOLUXTECH

UTILITY ROOM APPLICATION

Bright & Functional Lighting
For Every Utility Space

UTILITY ROOM LIGHTING SOLUTION

Ideal for:

- Storage Rooms
- Utility Rooms
- Pantries
- Laundry Rooms
- Closets
- Mechanical Rooms
- Sheds & Outbuildings

High Brightness
Bright light for clear visibility in any corner.

Wide Coverage
Uniform lighting eliminates dark areas and shadows.

Energy Saving
High efficiency lighting helps reduce energy consumption.

Safe & Reliable
Stable performance with flicker-free and eye-friendly light.

Versatile Use
Perfect for various utility spaces and storage areas.
